About our Food

At The Orange Tree we are passionate about providing quality food and drink whilst supporting local businesses as much as we can. All the meat we serve here, whether it is in the delicious Steak & Ale pies, in a ham sandwich or one of our juicy tender steaks, comes from Chapman's Butchers in Baldock High Street – we're the only pub in the area serving only their meats all the time too! We buy our vegetables and salad from Fieldgate Nurseries in Meldreth, our fresh bread from Days Bakers and our chips from Walter Clarke.

All our prepared food is properly home made from scratch, using recipes we've perfected over time. We believe proper home made food and decent real ale is what goes makes a proper traditional English Pub and we are proud to be one!

Due to the careful way we prepare and cook our food, there may well be a short wait on occasions when we are busy, please check with the staff if you are in a hurry! We can always take food orders in advance.
